

Certificate

to confirm the conformance of the factory production control with EN 1090-1.

No.: 2324-CPR-0076

In accordance with regulation (EU) No. 305/2011 of the European Parliament and Council of 09 March 2011 (Construction Products Regulation - CPR), this certificate applies to the following construction products:

Construction product: Structural components and kits for steel structures up to EXC3 according to EN 1090-2

Intended purpose: For load-bearing applications in all kinds of structures

Manufacturer: **Josef Wiegand GmbH & Co. KG**
Freizeiteinrichtungen
Landstraße12
D – 36169 Rasdorf

Manufacturing site(s): **Josef Wiegand GmbH & Co. KG**
Freizeiteinrichtungen
Landstraße12 and In der Vockenbach 3
D – 36169 Rasdorf

Confirmation: This certificate is to attest that all provisions concerning the assessment and control of constant performance, described in attachment ZA of the harmonised standard

EN 1090-1: 2009+A1:2011,

have been applied according to System 2+ and that the factory production control meets all requirements described therein.

Start of validity: 2012-07-27, W-2012-0076-04
(first day of issue)

Next surveillance: 2021-07-27

Term of validity: This certificate is valid until 2022-01-27, provided that the testing methods and/or requirements of the factory production control described in the harmonised standard on assessing the performance of the declared characteristics are modified or the product and production conditions are substantially not changed at the production site.

Related welding certificate: ISW.1090-2.0076, next surveillance is due on 2021-07-27

Remarks: Only the original certificate, issued in German, applies.

Place/Date: Grebenstein, 2018-07-23
